**Western Engine Restoration Team Recruitment Meeting  
Scheduled for California Citrus State Historic Park**

California Citrus State Historic Park will be conducting a Volunteer recruitment and sign up meeting on Friday September 13, 2013 at 10am. Persons interested in the restoration of the Western Engine and Pump House are encouraged to attend to hear more about the project and receive State Parks Volunteer application forms. The meeting will be held in the Sunkist Activity Center within California Citrus SHP at 9400 Dufferin Avenue Riverside, CA 92504.

Once a team of qualified volunteers have been approved by the State Park, restoration can begin. Support for the restoration efforts is provided by the Non Profit Management Corporation of California Citrus SHP.

A call for Restoration Volunteers was originally announced in December 2012 and interest in the project has been accruing.

For more information contact Park Superintendent Kelly Elliott at (951) 789-1278 or email [Kelly.Elliott@parks.ca.gov](mailto:Kelly.Elliott@parks.ca.gov)
